Cypress Room (2<sup>nd</sup> Floor of conference center)

**1:30 – 1:35      Introduction of Members and Guests**

**1:35 – 2:00      Committee Orientation**

**2:05 – 3:30      Concurrent Segments (Individual Committee Meetings/Workshop)**

*FTSN Committee Meeting - this is structured to be an opportunity to briefly meet with each of your chairs/co-chairs and member of your committee. Each committee will have approximately 15 minutes to touch base and, perhaps establish a meeting date for first teleconference, and identify discussion topics for that meeting. No committee meetings will be held concurrently. Committees will meet in the Embassy Suites Boardroom (also located on the second floor). Committees will meet in the following order:*

- Collisions
- Driver Fatigue
- Operator and Passenger Safety
- Distracted Driving
- Training

*FTSN workshop activities – there will be interactive activities planned during this time. This will be the location where committee members will gather prior to/after the breakout session for their individual committee.*

**3:30 – 3:45      Comments by Committee Chair/Co-Chairs**

**3:45 – 4:25      Safety Project Presentations (+Q/A & Discussion)**

- **UPDATED:** *Evaluation of Rear-End Bus Collisions and Identification of Possible Solutions – Bill Morris and Chris Deannuntis, CUTR*
- *FTA Project – Transit Safety Research Roadmap – National Transit Database, Transit Safety Trends (Motorbus/Demand Response) – Lisa Staes, CUTR*
- *Bus Operator Issues Examination and Model Practices*

**4:25 – 5:00      FTSN Member Discussion Period**

- Individual FTSN member safety concerns/issues
  - Dianne Shuler, BCT
  - Others
- Annual Transit Safety Summit (June 2, 2014)
- Other PDW (Jay Goodwill)

**Next FTSN meeting (end of April 2014)**
