

Transit Industrial Safety Management (FT00457)

This USDOT Transportation Safety Institute (TSI) training course, Transit Industrial Safety Management is sponsored by the Florida Department of Transportation's Florida Transit Safety and Operations Network. The 4½-day training offers 3.0 CEUs and will be held in Tampa, Florida. All registrations must meet the [Transit Training Policy & Procedures](#) of the program and be made through the Transportation Learning Management System at www.transportationlearning.org.

Date & Times:

February 12-16, 2018

8:00am – 4:30pm (Monday-Thursday)

8:00am – 12:00pm (Friday)

Training Site:

USF Center for Urban Transportation Research (CUTR)

3808 Alumni Drive - Room 102

Tampa, FL 33620

Course Overview:

This course is designed to educate participants on how to develop, implement, and maintain an industrial safety management program following OSHA principles and guidelines for transit employees, equipment, and facilities. Participants learn about Safety Management Systems (SMS) principles, human behavior factors, proactive policies and procedures, identification of hazards and unsafe practices, hazard controls and resolution, documentation, employee training requirements, and management of a workplace safety program. A 30-hour (general industry) OSHA compliance certification is offered to all participants who successfully complete the course.

Course Elements:

- Introduction to SMS Principles
- Introduction to occupational health, the Occupational Safety and Health Act
- Recordkeeping
- Accident/Incident investigation
- Hazardous materials (HAZMAT), hazardous communications (HAZCOM)
- Fire protection
- Blood borne pathogens
- Lock-out/tag-out
- Walking and working surfaces, slips, trips, and falls
- Electrical
- Safeguarding machinery
- Welding and brazing
- Hand and power tools
- Hearing protection
- Materials handling
- Confined spaces
- Personal protective equipment, respirators
- Fatigue
- Emergency plans and evacuation
- Loss control
- Ergonomics
- Flammable and combustible liquids
- Industrial hygiene
- Preparation for site inspection and audit guidelines
- Field exercise: informal site audit (PPE required: ANSI approved safety shoes)
- Pretest, homework, group audit presentations, final exam

Who Should Attend:

Safety Program Administrators and Developers, Safety Inspectors and Auditors, Safety Managers and Supervisors, Risk Managers, Operations and Maintenance Supervisors/Managers, Safety Committee personnel, FTA-State Safety Oversight personnel (SSO).

Registration deadline is Wednesday, January 24, 2018.

How to Register

All registrations must be made through the Florida Department of Transportation's Office of Freight, Logistics, and Passengers Operations Transportation Learning Management System. This online registration and learning management system (LMS) provides Florida's public transportation professional a portal to manage their professional development.

Transportation Learning manages training for you by keeping an educational transcript of all new courses that you complete, and a retrievable record is maintained so you may access (with a user id and password) Certificates of Completion, Certificates of Participation, retrieve course materials, etc.

Florida's public transportation professionals may set up a unique user id and password to register online for upcoming transit training courses, including e-learning courses. Follow the instructions below to login or to register for the training course.

Go to: www.transportationlearning.org

Unsure if you have an account? Use the "Forgot Password" link to look up your account information using either your work/personal email address or username. If you cannot locate your account information, please contact Stephanie Lewis at zavacki@cutr.usf.edu or (813) 974-1123 before setting up a new account.

Returning Users: (**DO NOT** use the enrollment key ID.)

- If you are a **returning user**, type your username and password.
- Use the "Forgot Password" link to look up your account information using either an email address or username.
- When the dashboard appears, select "**My Catalog**" to enroll in desired course.
- Once enrolled the course will appear under new "**My Courses.**"

IMPORTANT: You may use your personal or business email address. If you create multiple accounts, you will not be able to view a complete record of your training history. In some instances, this may require you to retake or restart a training course.

New Users Only:

- If you are a **new user**, select the "**Sign Up**" button.
- Use the Enrollment Key ID and Password below to create an account:
 - In the "Key Name" field please enter: **fltat**
 - Select the "Sign Up" button
- Begin by entering the requested information, as well as creating a unique username and password.
- An enrollment page will confirm your new username and password. A copy will also be sent to your registered email.
- When the dashboard appears, select "**My Catalog**" to enroll in desired course.
 - Once enrolled the course will appear under new "**My Courses.**"

Course Confirmation:

A logistical email confirmation from the LMS will be forwarded to each registrant with class information, travel and hotel information after your registration has been approved by your supervisor.

USF is an Equal Opportunity/Equal Access Institution. For disability accommodations, please contact Molly Buffington at buffington@cutr.usf.edu **a minimum of ten (10) working days in advance** to the training session.

Travel:

There are no travel reimbursement opportunities for this training event.

Visit www.cutr.usf.edu to find additional transit training opportunities, workshops, conferences and special events.
